Dress Like a Superhero Night

In our life, God desires to provide us a sure and safe place to stand that is rooted in his love and the promises of His Word. Solid Ground is our youth group of young people Mid-High through Senior High. We gather Sunday nights for worship, games, testimonies, fun, fellowship, and a short challenge from the Word of God. We hope you will choose to come stand tall and firm among us on Sunday nights.

As long as I've been here, there was always somebody who was there to support me in such hard times. It has also changed my life in that I have grown a stronger relationship with my friends and God.

I enjoy youth group because of the friends I have made. The games we play help us be a group.

If you are musically inclined, this is a great opportunity to give your gift back to the Father. Join the Sunrise Youth Choir. We lead worship regularly on Sunday mornings.

We strongly believe in student leadership. The Round Table Leaders serve and share their ideas weekly to create and guide student lead ministry in our group.

Being a sponsor has helped me see past my stereotypes about teenagers. Teens have a unique view of the world, and I have loved the opportunity to be able to talk with students about their views on a regular basis in a fun, supportive environment.
