Imagine being on the verge of realizing all your dreams, but all you can focus on is how long it took to get where you are. It's hard to relate to the story in the Book of Numbers about a group of people who wandered in the desert for forty years, unable to enter the Promised Land because of their grumbling and complaining...until we take a closer look at ourselves. In this six-week women's Bible study, you'll learn how God can fill the ache inside of you and help you focus on faith in the midst of life's joys and pains.
