The stories about Jesus raising the dead and calming the storm are incredibly astounding. It's natural to focus on the divine power, but these stories have something else in common: the human desperation that prompted the miracles. In this six-week Bible study, Jessica LaGrone leads us on a captivating exploration of the miracles of Jesus, helping us to see that our weakness is an invitation for God to work powerfully in our lives and reminding us that we need God on our best days just as much as we do on our worst.
