

# WALKING BY FAITH

## *Lessons Learned in the Dark*

She lost her eyesight as a teen, but gained something much more valuable ... spiritual insight. With wit and wisdom, the author relates some of the challenges in her life. Yet she speaks not as one who has overcome great hurdles, but as one who, like all of us, faces them every day.

By examining the practical differences between walking by sight and walking by faith, Rothschild offers valuable spiritual lessons on: taking risks, giving God control, trusting in his will, persevering through hardship, and being guided by the truth. Created especially for women, this interactive Bible study promises to be an eye-opening experience.
